

WINNING VISITORS - THE MARKETING POWER OF VISITOR BROCHURES

plus Driving Digital!

About this consumer research

- The Research was undertaken in 2022 in the U.S., Canada, Mexico, and Europe by **Bentley University Center for Marketing Technology** and Visitor International.
- 986 respondents were interviewed in the U.S., Canada, Mexico and Europe.
- 78% were on a leisure trip, 7% on a business trip and 15% were combining business and leisure.
- 60% were staying 4 days or less, and 40% for more than 4 days.
- 49% stayed in a hotel, 20% in a rental home, VRBO or AirBnB, 12% with friends or family, 16% in their own home, 6% did not stay in the area, and 3% indicated 'other'.
- 59% were female, 39% male, 1% were non-binary, and 2% indicated 'other or prefer not to say'.
- Visitors of all age groups (over 18) were interviewed, and there was a good spread across all age groups.

Insights

- The percentage combining business and leisure was 15%. This is a trend that is increasing generally.
- Almost one in every two respondents stayed in a hotel.

Note: where visitors stayed totals more than 100%, as some stayed in more than one type of accommodation.

WINNING VISITORS - THE POWER OF VISITOR BROCHURES

70%

of visitors use travel brochures,
maps or guides for their trips

*This rises to 72% for
females (key
influencers in travel)
and 74% of families!*

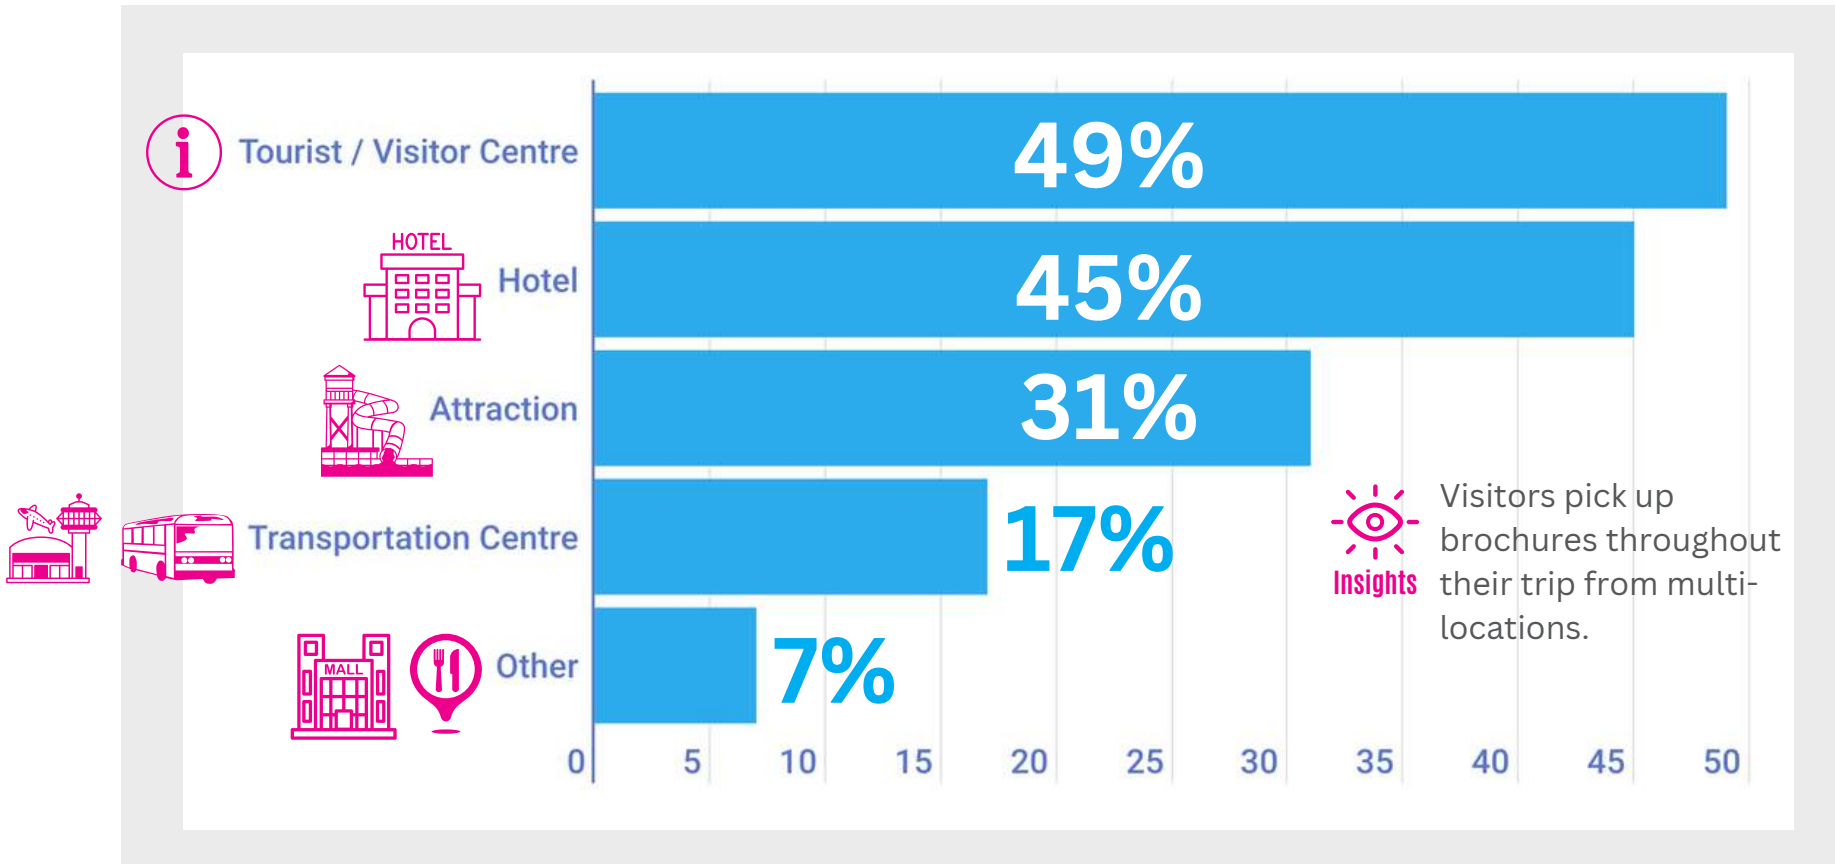

WINNING VISITORS - THE POWER OF VISITOR BROCHURES
